HUNTING RECRUITS.

James N. Frisby returned last evening from a visit to Elkins and Fairmont, where he canvassed for recruits for the United States army and he spent today in Weston on a similar mission. Hereafter he will make weekly visits to Grafton and Fairmont. Next week he will visit his aged father at Mt. Sterling, Ky.

In 1911 the Russian empire's population increased 167,924,000.

BENNETT
Formally Announces His
Candidacy for the Nomi-
nation for Congress.

WESTON, Aug. 15.—To a representa-
tive of the Weston Democrat, who
called upon the Honorable Louis Ben-
nett for the purpose of ascertaining
whether or not he expected to enter
the race as an active candidate for
nomination for Congress to succeed
Hon. John W. Davis, he replied:

"Yes, that is my intention, and I
presume I might as well make formal
announcement of it."

"However, this should not be a time
for personal ambition to be consid-
ered. The Wilson administration is
on trial, and should not be handi-
capped in any manner before its pol-
icies are entirely formulated. The
eyes of the nation are taking note of
every evidence of approval or dis-
approval of it prior to the next gen-
eral election, when it will meet its
real test. This district is going to be
the center of a whirlwind of effort on
all sides, and Democrats must not
fail to carry it at this election. If
my party thinks that I meet the re-
quirements necessary to lead it to
victory, and gives me the nomination,
I will feel deeply honored and will
do all in my power to carry the dis-
trict for it. But if it thinks some-
one else more available for the purpose,
then I shall be found where I am al-
ways found, in the front ranks fight-
ing for the faith that is in me."

Los Angeles has a woman police-
man. Her duties are to guide and
protect women, particularly stran-
gers, and to oversee dance halls, skat-
ing rinks, picture shows and other
places attended by young girls who
are ignorant of the dangers of city
life.

**Beware of Ointments for Catarrh
That Contain Mercury**

as mercury will surely destroy the eye of small
and completely derange the whole system when
entering it through the mucous surfaces. Such
articles should never be used except on the ad-
vice of some reliable physician, as the danger
they will do is ten fold to the good they can pos-
sibly derive from them. Hall's Catarrh Cure,
manufactured by J. C. Cheney & Co., Toledo, O.,
contains no mercury, and is taken internally,
acting directly upon the blood and mucous sur-
faces of the system. It is the only Catarrh Cure
that is sure you get the genuine. It is taken
internally and made in Toledo, Ohio, by J. C.
Cheney & Co. Testimonials free.
Sold by Druggists, Price, 50c per bottle.

Surprising Cure of Stomach Trouble
When you have trouble with your stom-
ach or chronic constipation, don't imagine
that your case is beyond help just because
your doctor fails to give you relief. Mr.
G. Stengle, Plainfield, N. J., writes: "For
over a month past I have been troubled with
my stomach. Everything I ate upset it ter-
ribly. One of Chamberlain's advertisement
booklets came to me. After reading a few
of the letters from people who had been
cured by Chamberlain's Tablets, I decided to
try them. I have taken nearly three-fourths
of a package of them and can now eat almost
everything that I want." For sale by all
dealers.—Advertisement.
